

Knowledge Exchange Platform for E-Governance

We provide information on digital government trends, digital governance exhibitions, and the development of smart government in Taiwan. We aim to expand the website into a knowledge platform that facilitates the exchange and sharing of research materials and experiences.

Themed Exhibitions

Taiwan Digital Government Development

數位治理研究中心 (Taiwan E-Governance Research Center, TEG) 成立於2008年，由政府委託國立政治大學公共行政學系營運，為跨校、跨組織、跨域專長的學者專家及諮議委員組成的政府數位治理政策智庫。

The Taiwan E-Governance Research Center (TEG), established in 2008, is a government-commissioned think tank focused on digital governance policy and operated by the Department of Public Administration at National Chengchi University. It comprises scholars and experts from across institutions, organizations, and disciplines.

我們的任務

智慧政府數位治理議題分析調查

參考國際最新數位治理發展趨勢，結合理論與實務，網羅涵蓋政治、行政、政策、管理、資訊科技、法律以及人工智慧等專業領域知識之專家學者，建立前瞻性且系統化的數位治理研究架構與資料，兼顧在地政策規劃及國際接軌，提升國內數位治理政策研究的質與量，協助我國數位治理政策的周延與落實。

研究成果

數位政府國際接軌與交流合作

針對我國數位治理前瞻研究成果以及實務經驗，規劃國際交流合作，藉由出席國際會議、交流互訪、跨國合作研究等方式，進行數位政府國際接軌與交流合作，分享我國數位治理的研究成果與推動實績，以提高我國國際能見度。

國際交流

數位治理觀念與成果分享

透過數位治理相關研討會或宣導活動，讓各界對於我國智慧政府數位治理的實際成效及未來規劃，有更全面的瞭解。

研討活動

數位治理網絡平臺與知識分享機制

數位政府趨勢介紹、數位治理主題策展、我國智慧政府發展歷程整理等，將數位治理研究中心網站擴展為足以蒐集、整理並運用數位治理知識的平臺，作為我國數位治理社群網絡，有效增進研究資料與經驗之交流與互動。

主題策展

數位政府

Our Mission

Research on Prospective Policies for E-Governance

Our research on forward-looking digital governance policies and administration integrates theory and practice to deliver high-quality outcomes. We aim to ensure that digital governance in Taiwan is planned, implemented, and evaluated to a high standard.

Our Research

International Networking and Collaboration

We regularly participate in international conferences, and visit and collaborate with E-Governance institutions worldwide. We share research findings and experience in E-Governance to achieve greater international visibility for Taiwan.

International Exchange

Sharing Digital Governance Concepts and Achievements

We organize seminars and outreach activities on digital governance to provide a more comprehensive understanding of its practical effectiveness and future plans for Taiwan's smart government.

Seminar Activities
